## Food & Beverage Nutrition Guide

Printed information effective: June 28, 2021

Cheddar's Scratch Kitchen has made an effort to provide complete and current nutrition information. Due to the handcrafted nature of our menu items and changes in recipes, ingredients, and kitchen procedures, variations between the nutrition reported here and what is actually served may occur. Sides and sauces are included unless otherwise noted under menu item. Choice of side nutritionals not included. 2,000 calories a day is used for general nutrition advice, but calorie needs vary.

If you have any questions about this information, please contact one of our Guest Relations Representatives at 1-888-642-7336.
